

**Your
Galactic
Address**

Your Name

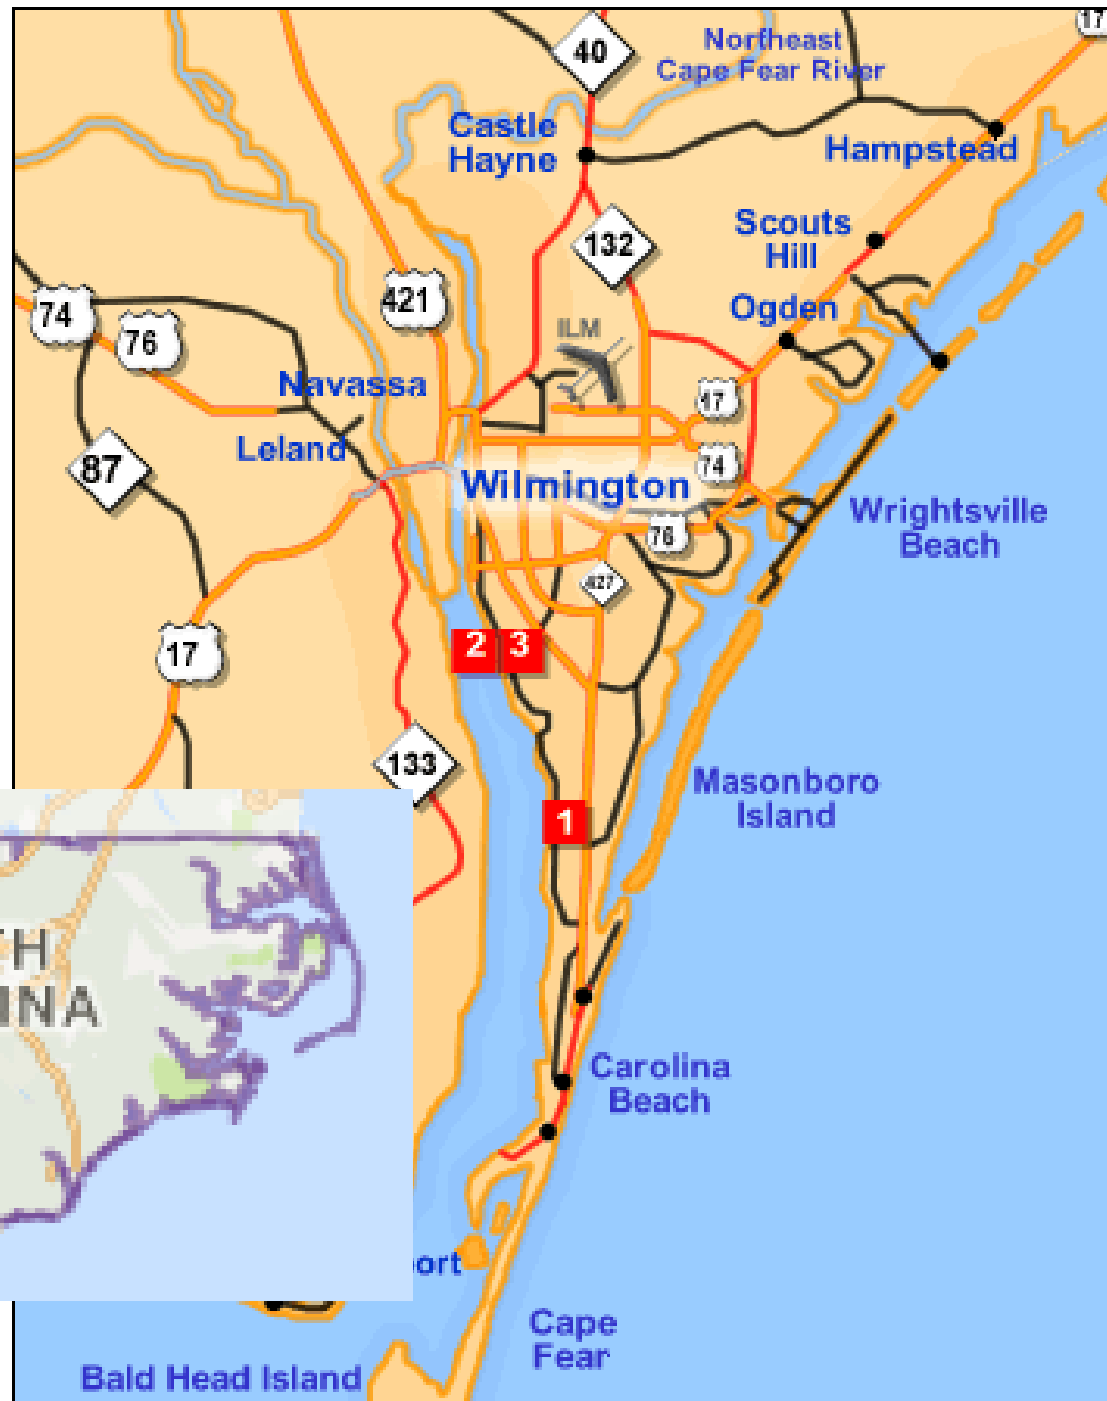

Your School

Laney High School

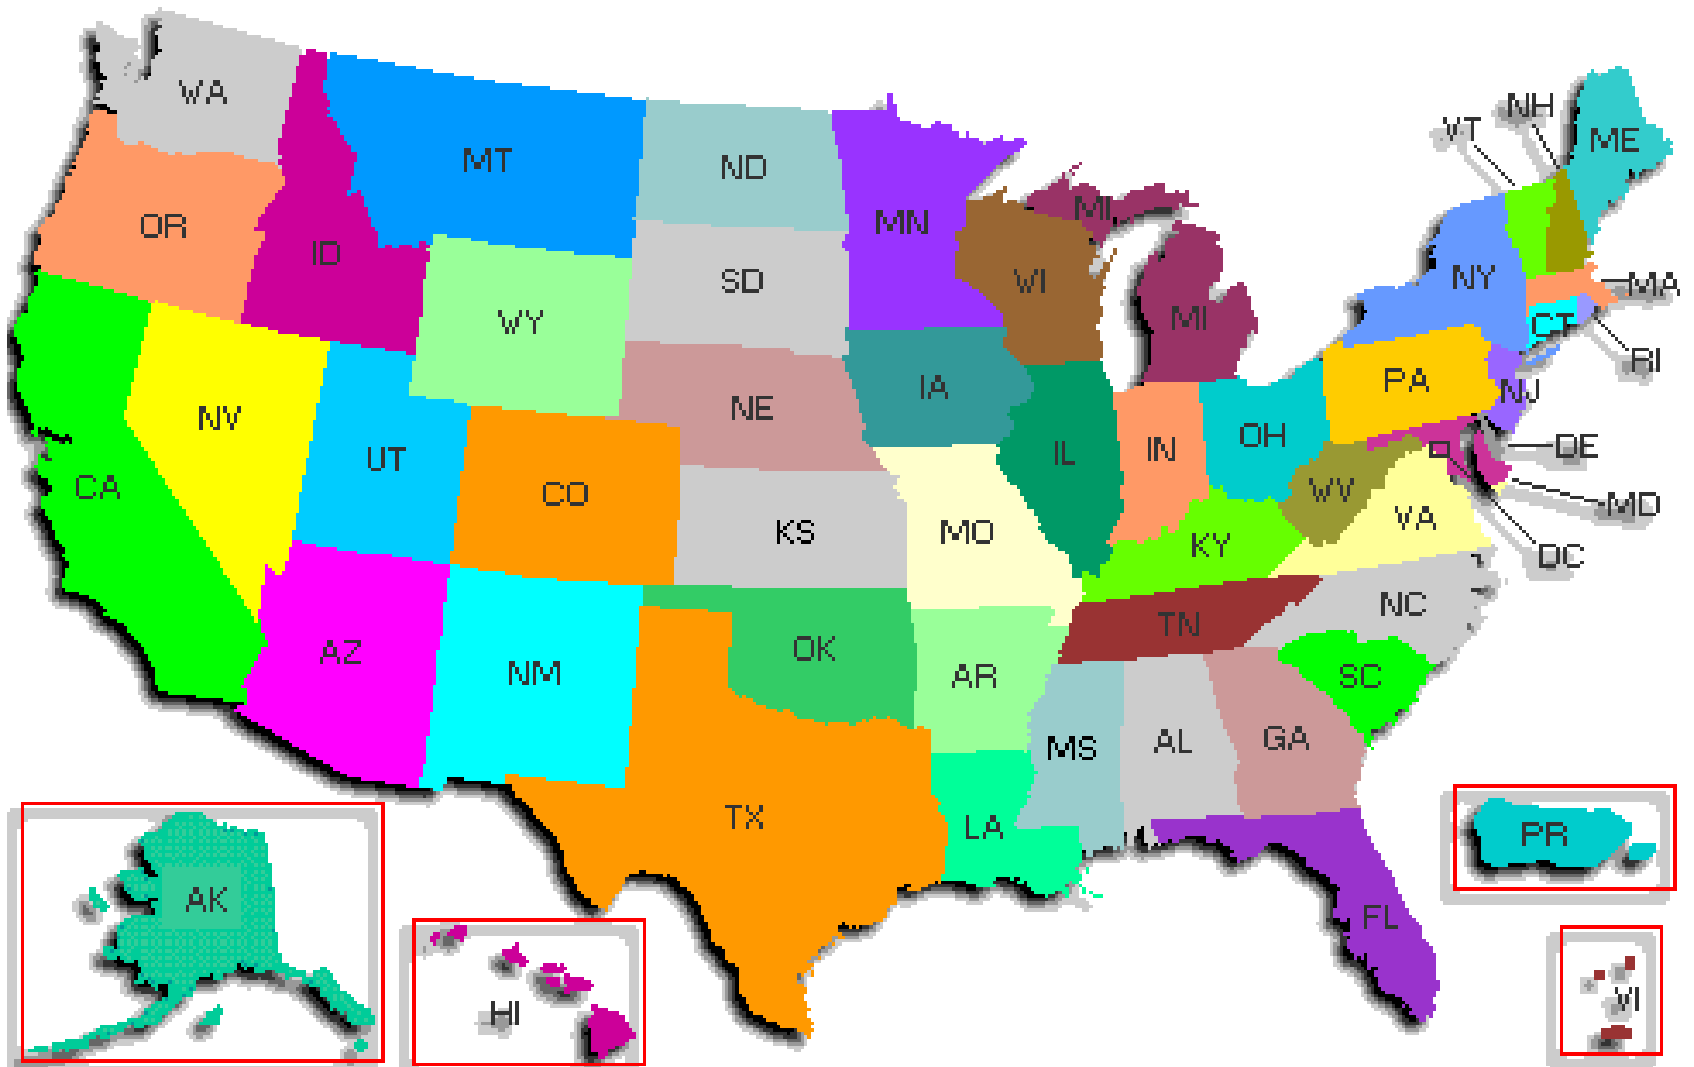

Your City Your State

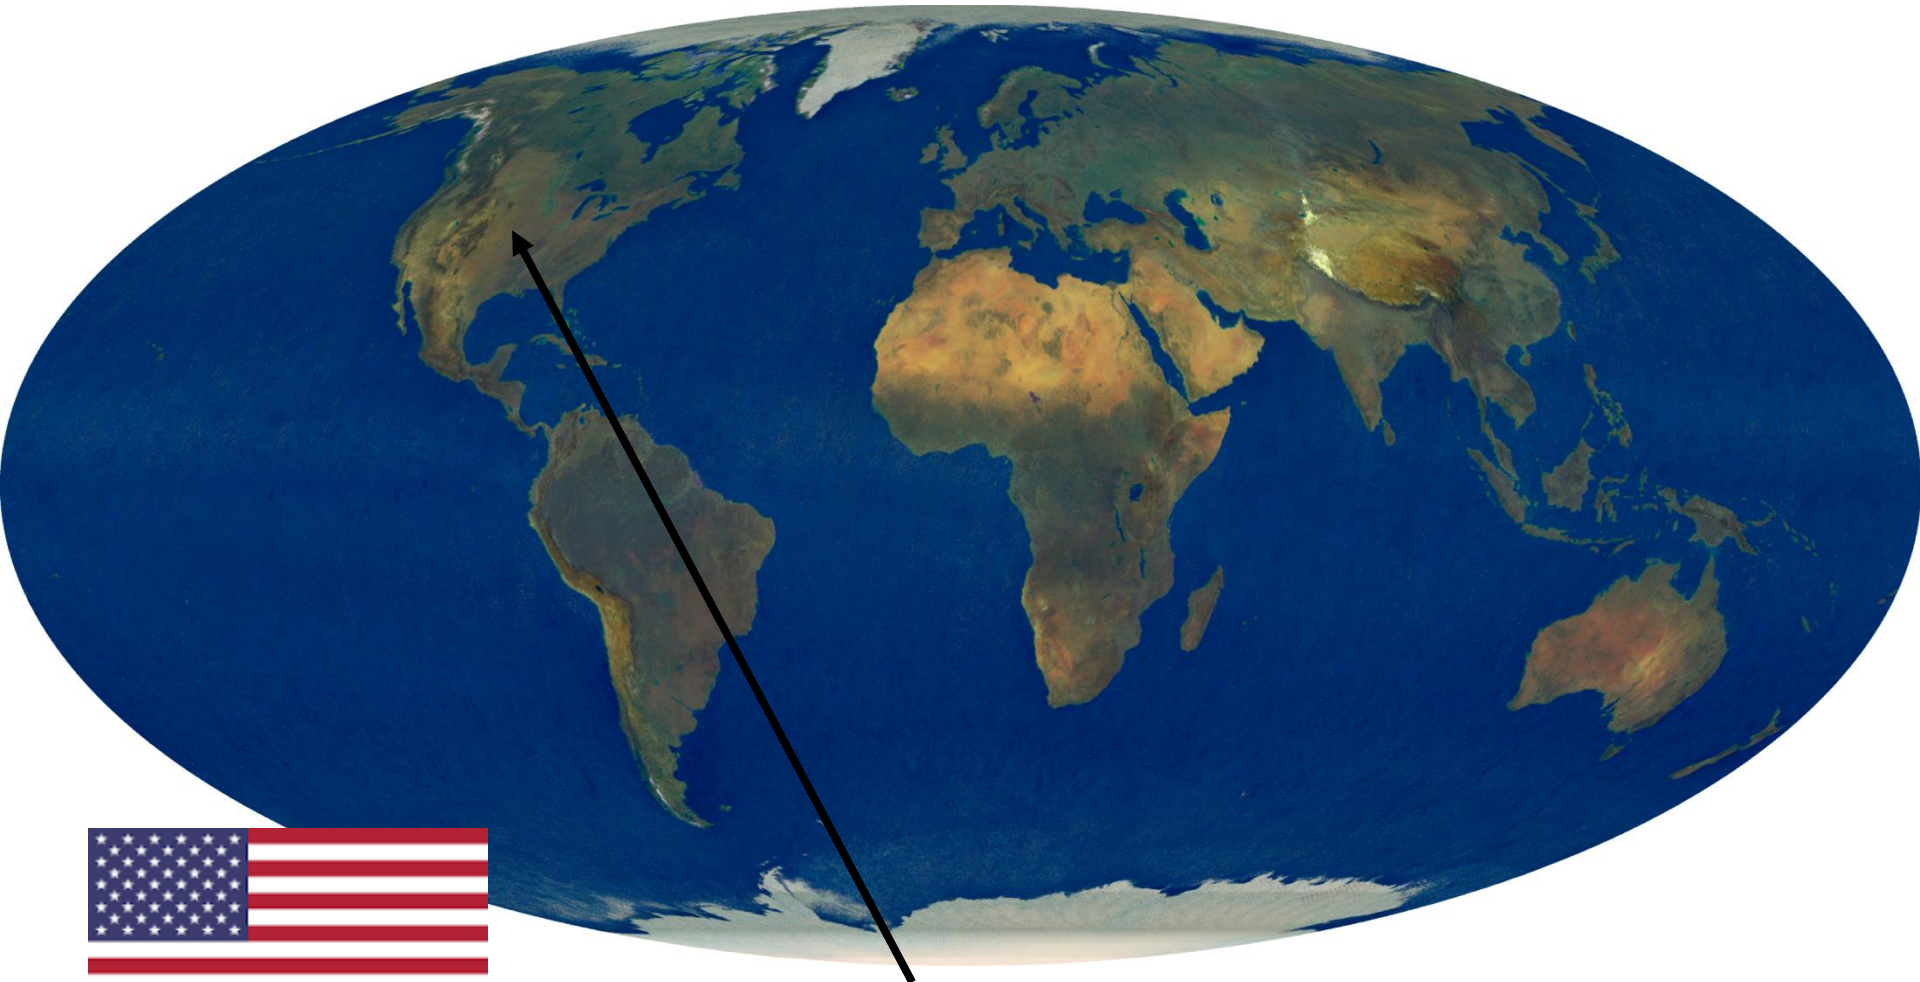

Your Zip Code

28405

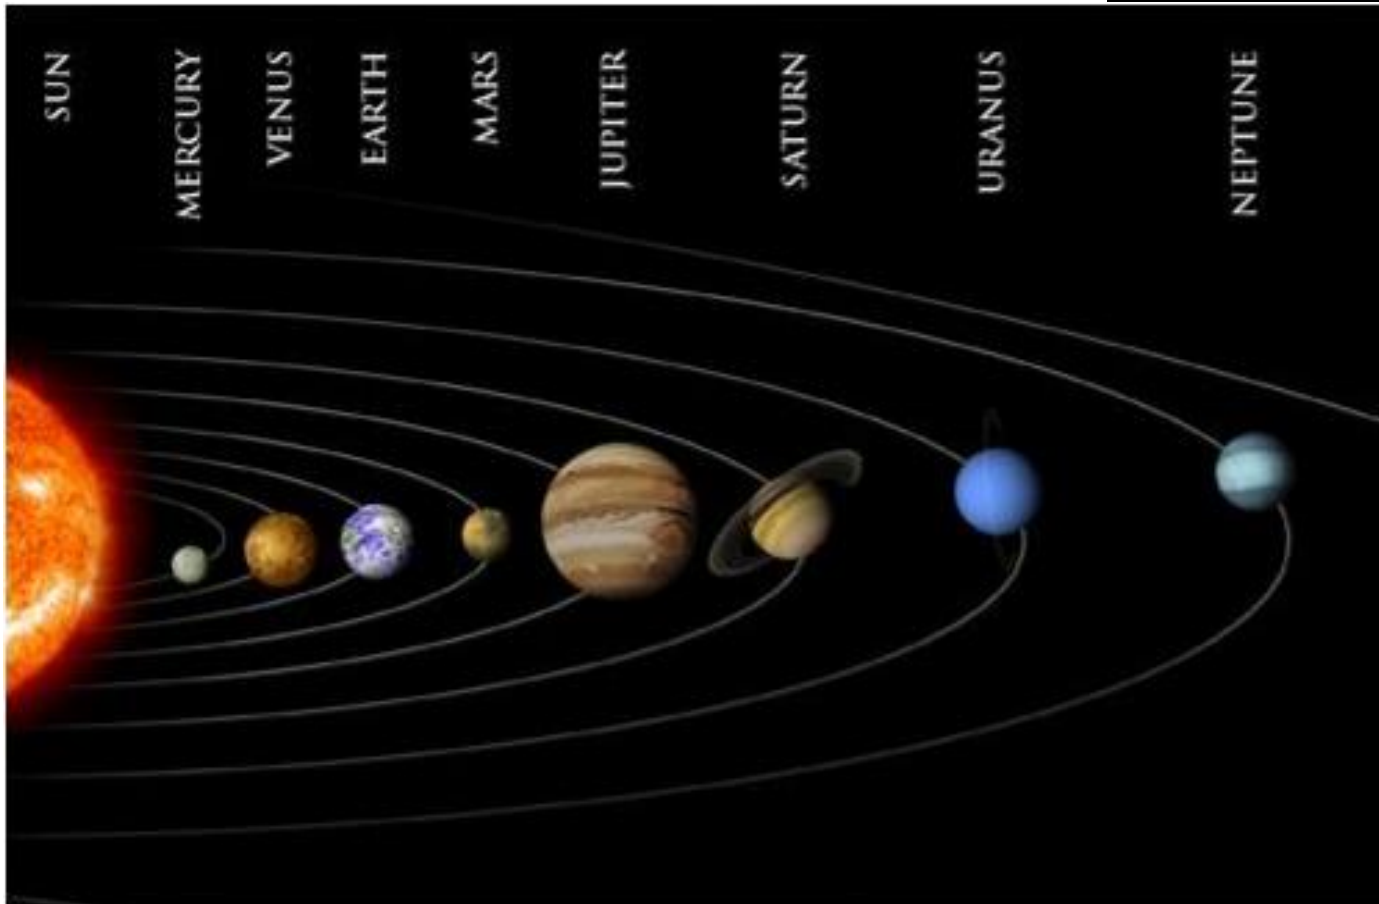

Your Country

United States of America

Your Planet

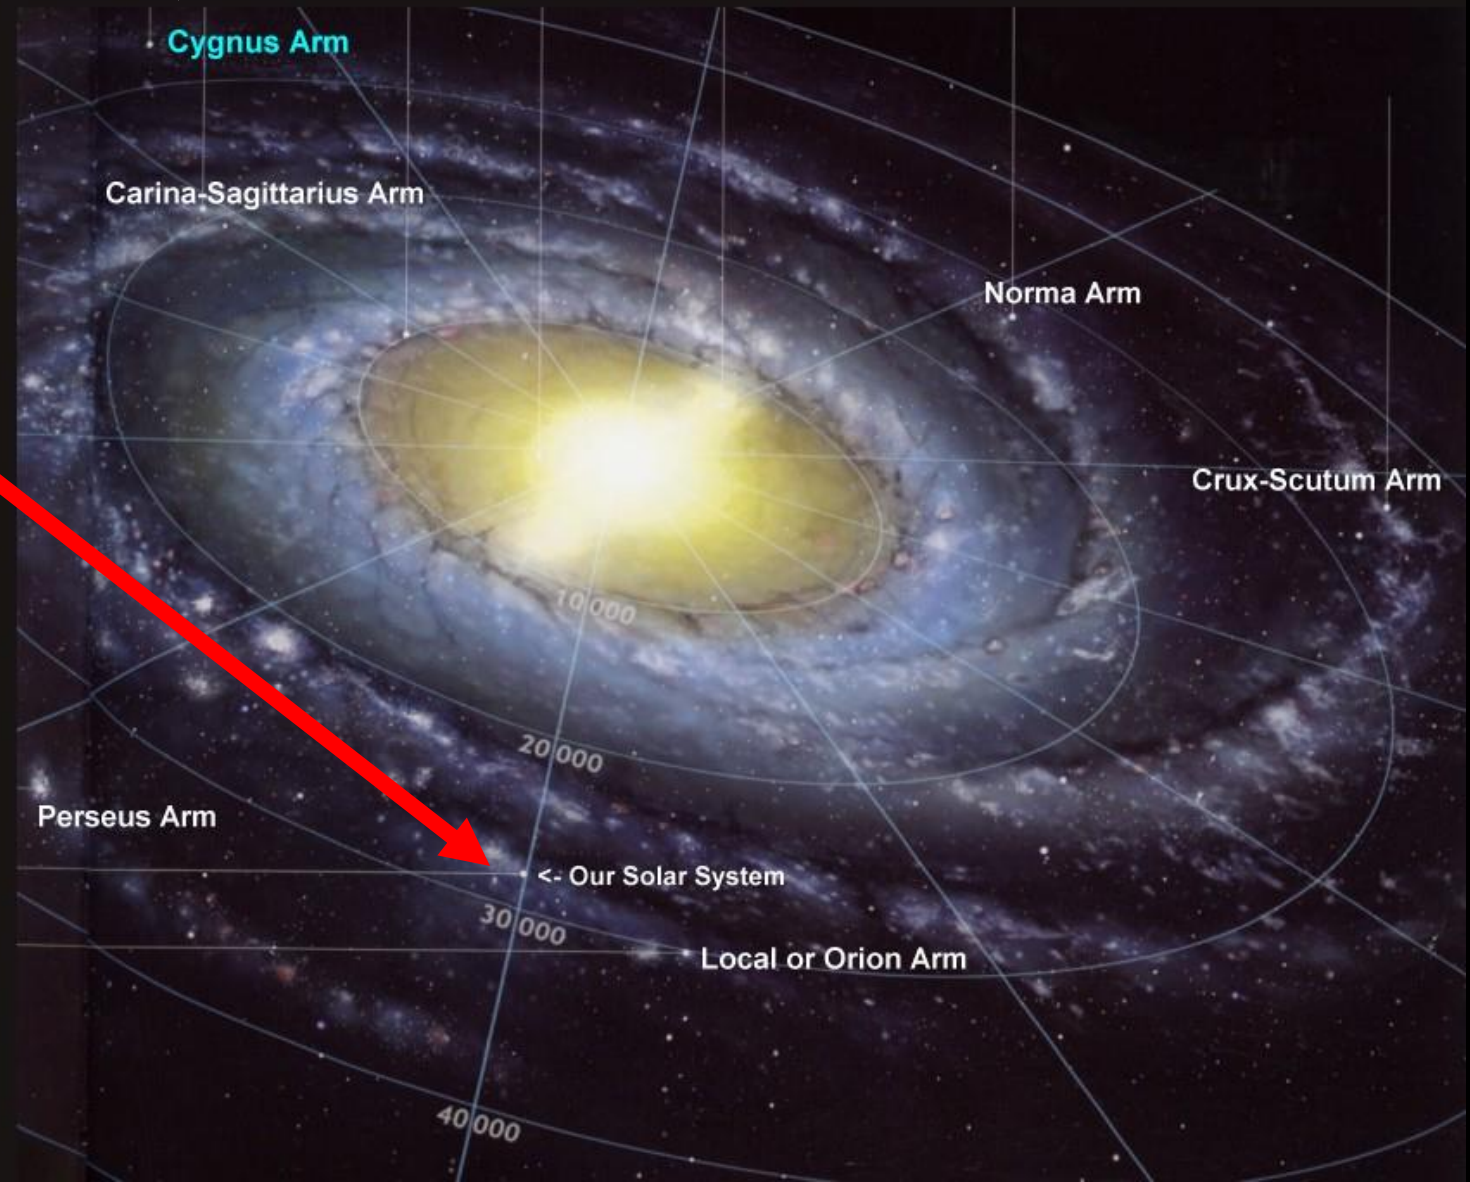

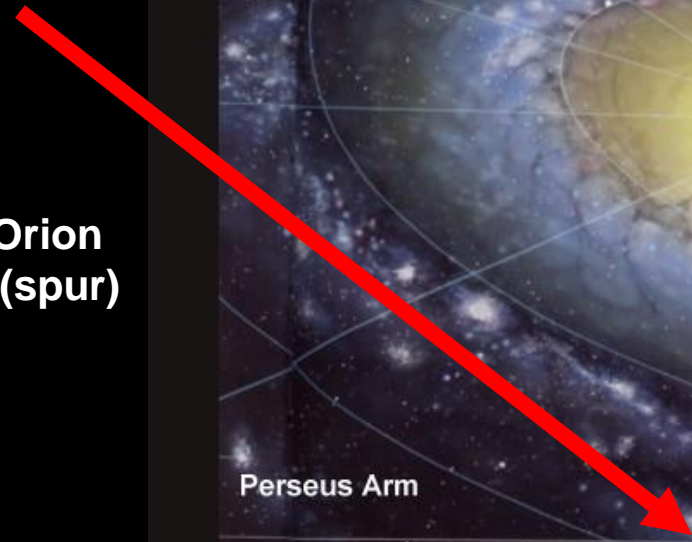

(Earth...duh)

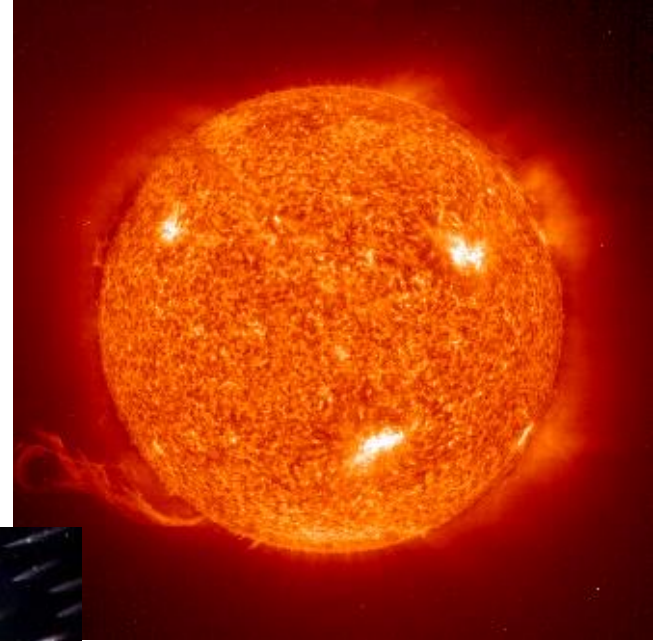

Your Star System

Solar System

The Orion Arm (spur)

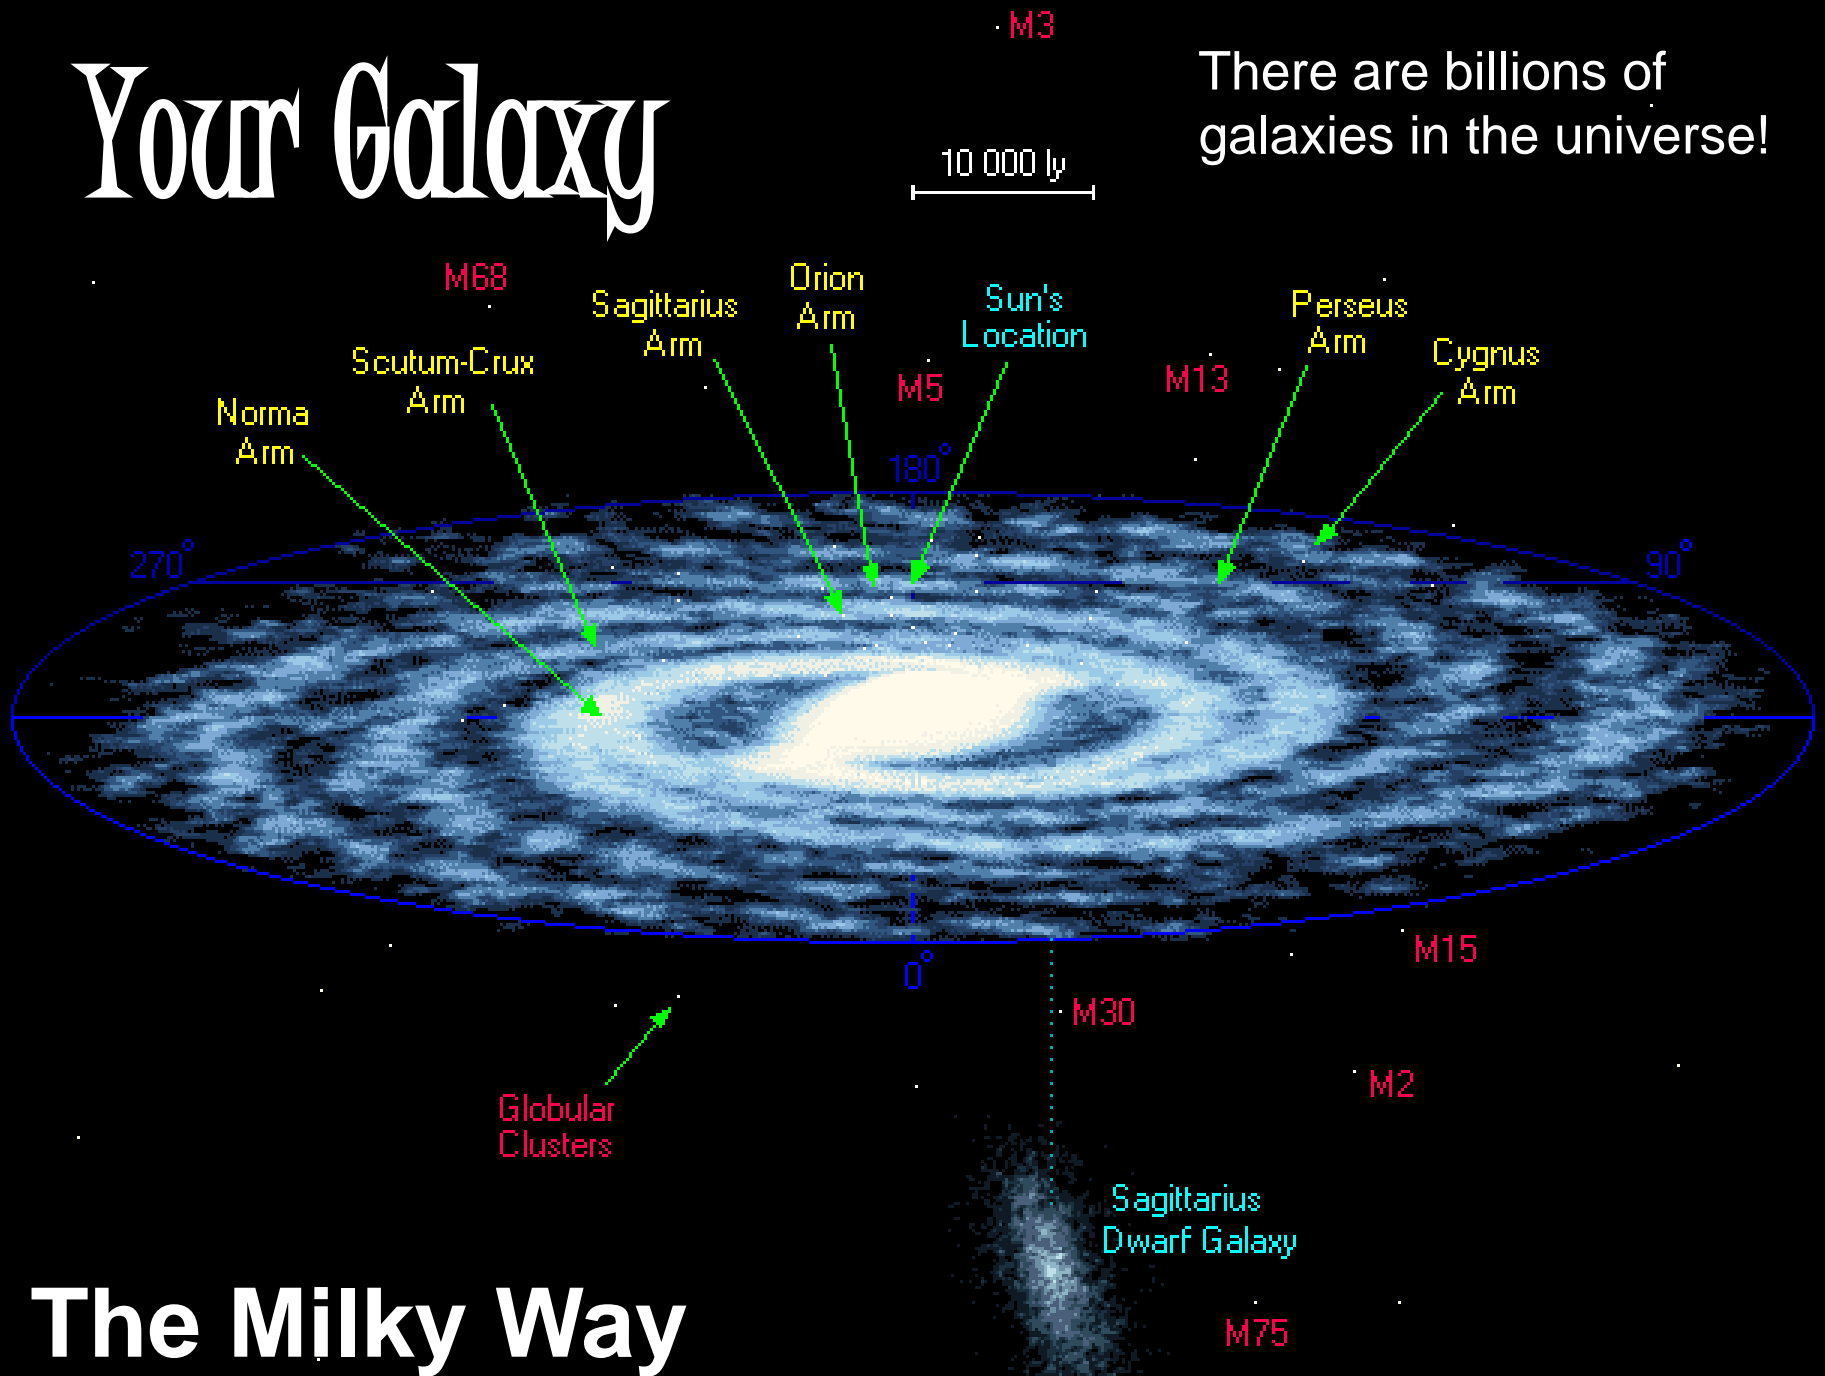

Your Star

The SUN!

Your Galaxy

There are billions of galaxies in the universe!

The Milky Way

What's at the center of the Milky Way??

There is strong evidence to support the existence of a supermassive black hole at the center of the Milky Way.

Your Galactic Cluster

The Local Group

M 110

NGC 147

NGC 185

Andromeda

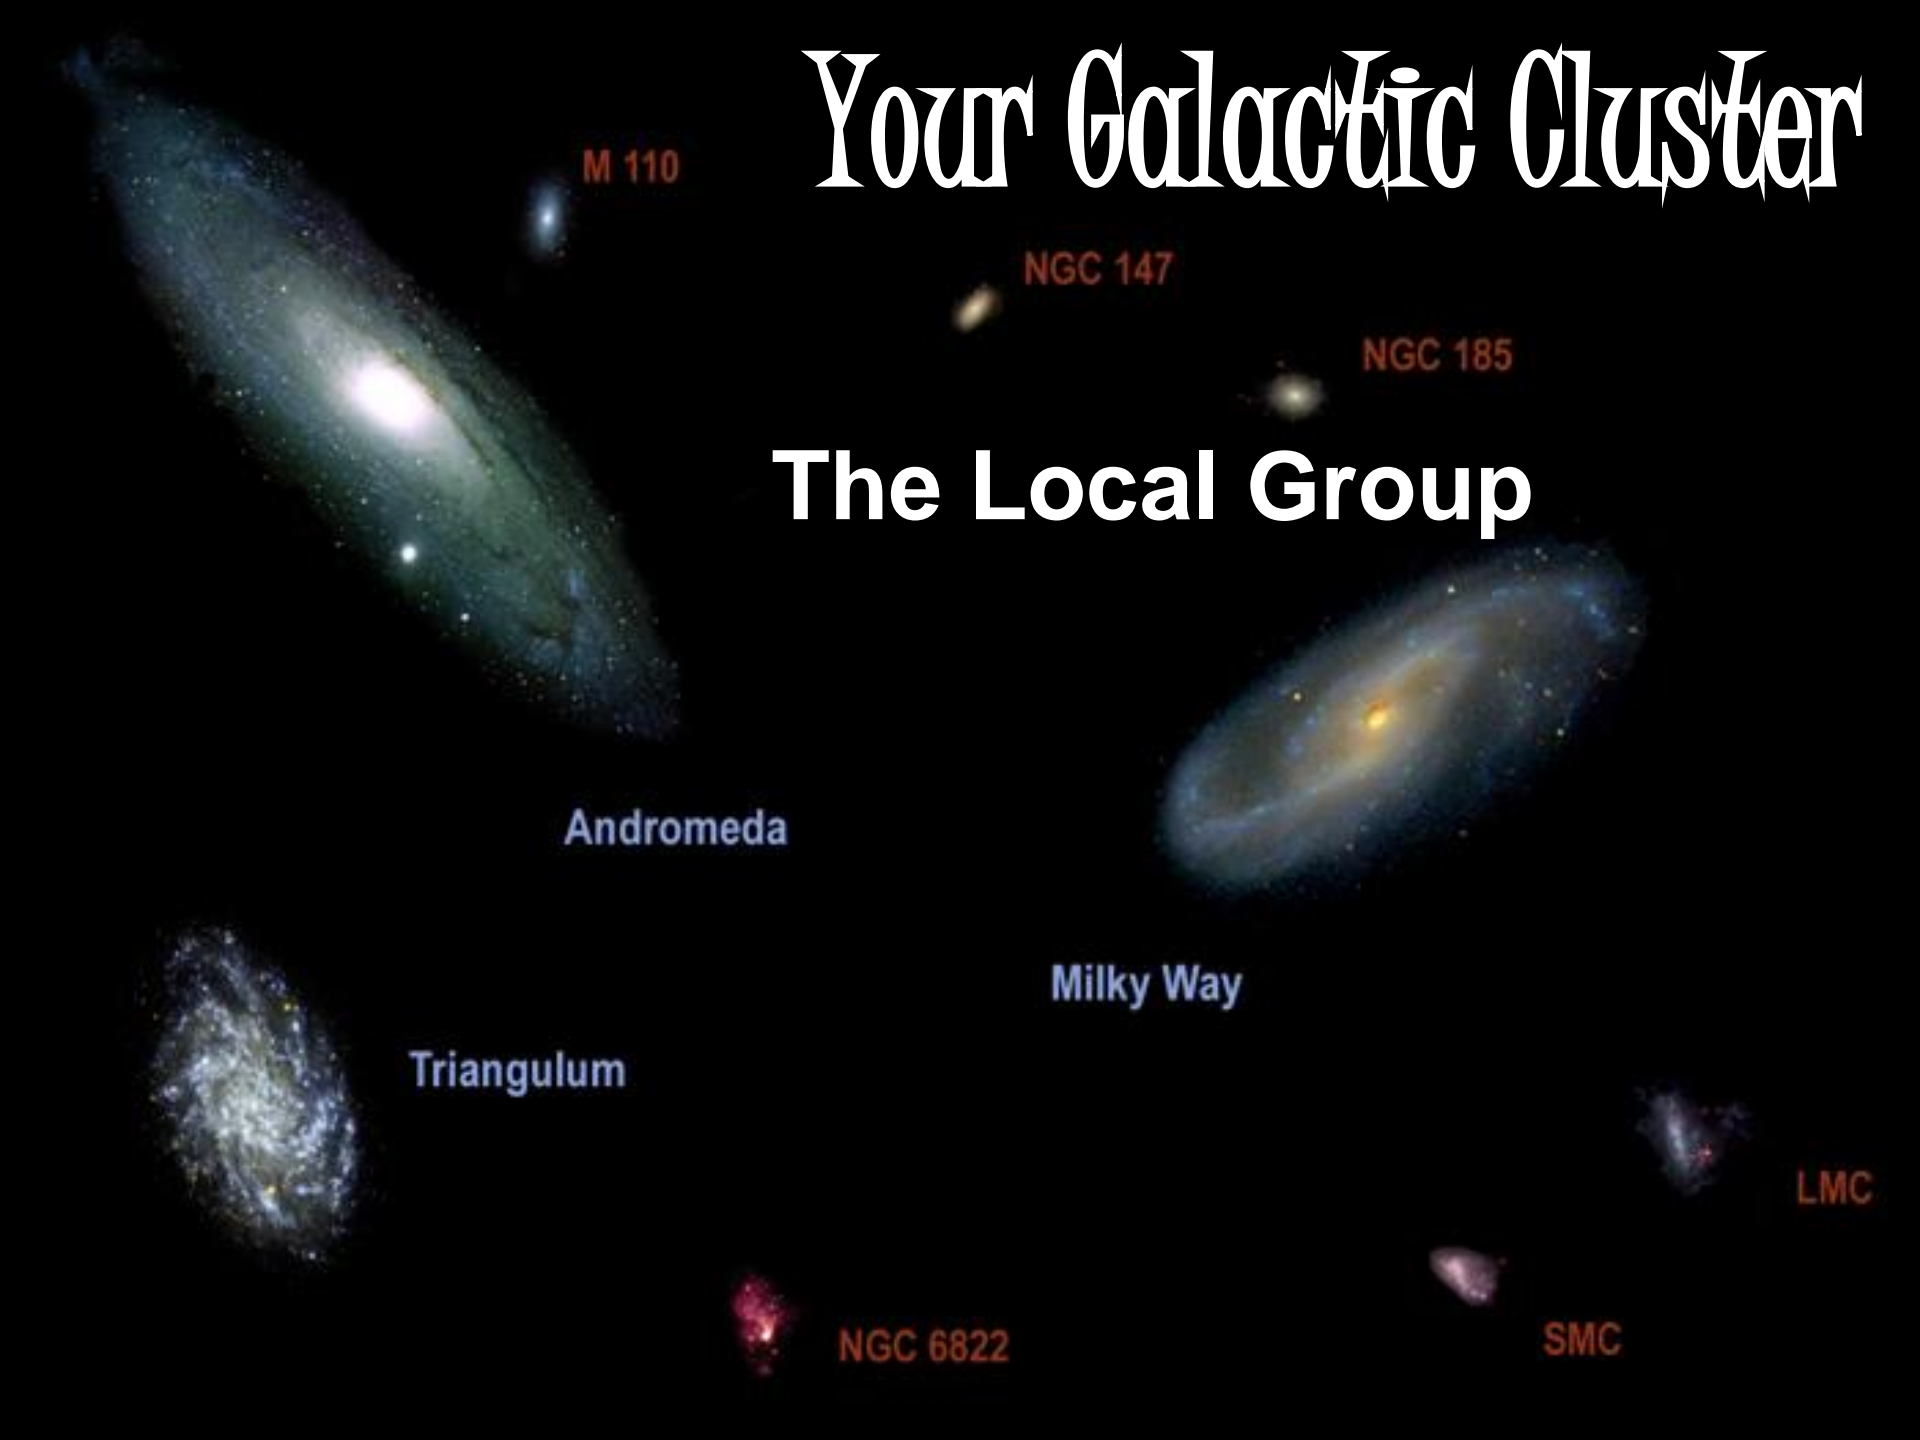

Milky Way

Triangulum

LMC

NGC 6822

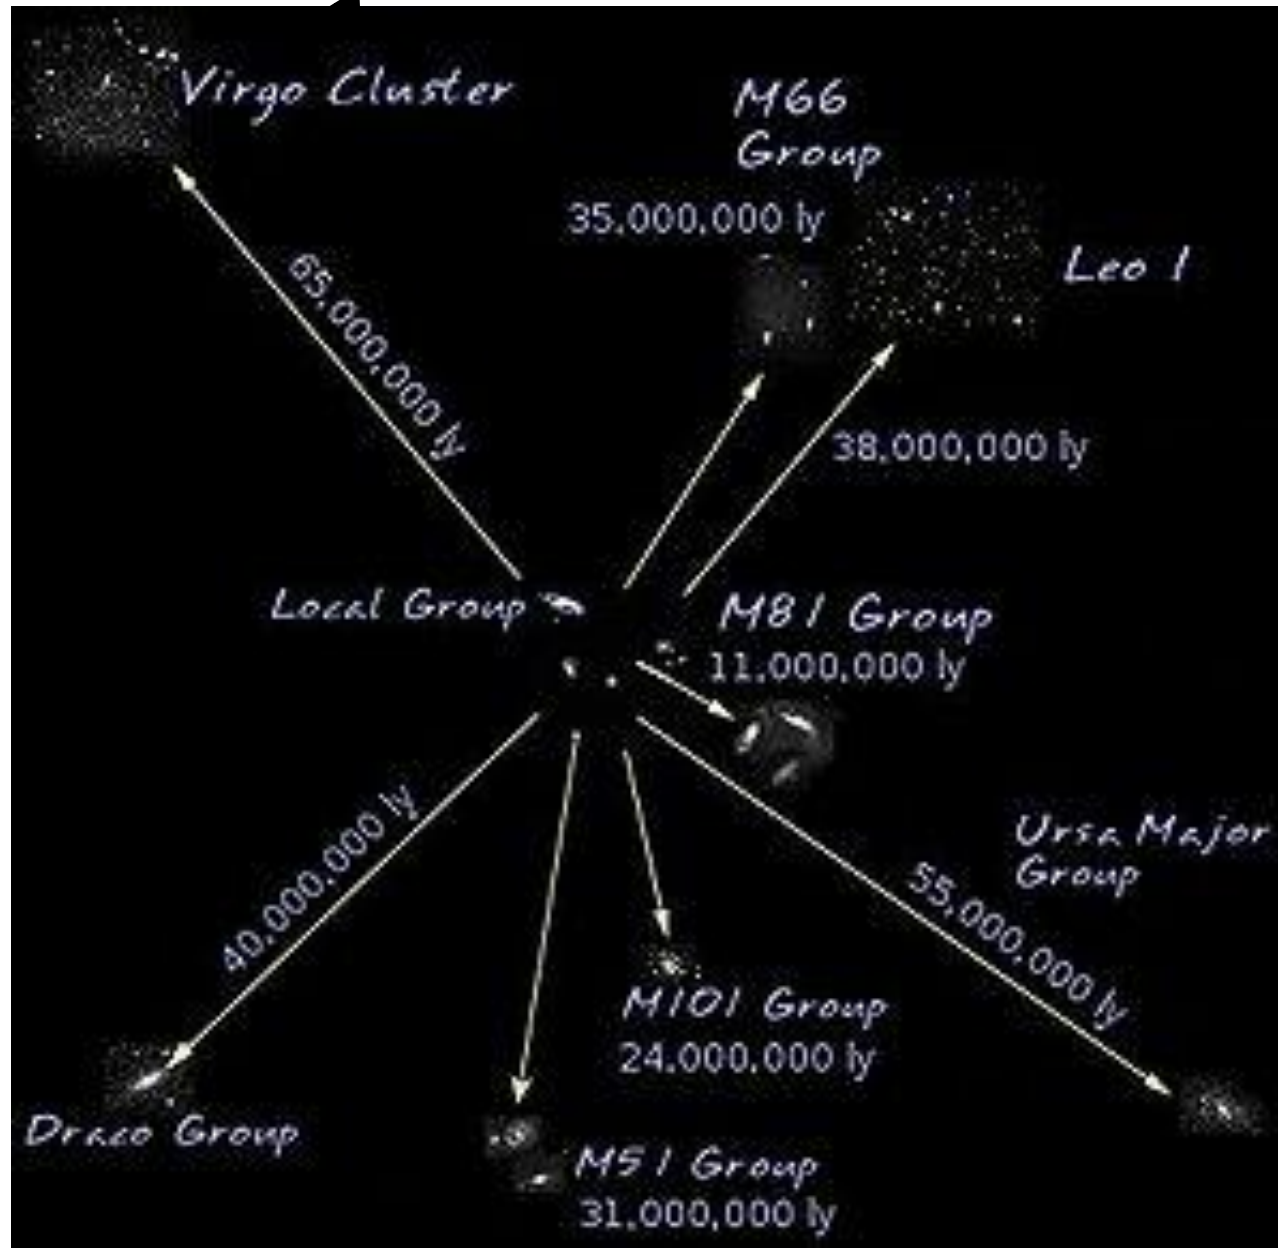

SMC

Your Galactic Super Cluster

Laniakea Supercluster

it encompasses
100,000 galaxies
stretched out over
520 million ly

We are on

To sum
it all up...
